1,200,001 – 2,400,000	Rs.15,000 + 12.5% of amount exceeding Rs.1,200,000

Above 6,000,000	Rs.1,095,000 + 35% of amount exceeding Rs.6,000,000

Correction: previously swapped with Section 2. This is the correct "Rate of Tax for Salaried Individual" table, confirmed against Crowe Pakistan's Finance Act 2023 Tax Handbook, which explicitly labels this bracket structure (2.5% entry rate, 35% starting above Rs.6M) as applicable to salaried individuals specifically — distinct from the AOP/business-individual table in Section 2. New brackets substituted by Finance Act, 2023 (Division I, Part I, First Schedule), effective 1 July 2023.

2. Tax Rates for AOPs & Non-Salaried Individuals [P]

Above 4,000,000	Rs.765,000 + 35% of amount exceeding Rs.4,000,000

Correction: previously swapped with Section 1. This is the correct "Rate of Tax for Individual and AOP" table, confirmed against Crowe Pakistan's Finance Act 2023 Tax Handbook, which explicitly labels this bracket structure (7.5% entry rate, 35% starting above Rs.4M) as applicable to non-salaried individuals and AOPs — distinct from the salaried-individual table in Section 1. New brackets substituted by Finance Act, 2023, effective 1 July 2023.
